Lesson plan notes

Prepare the activity

Print page 7 and cut out the caller cards if needed. Set up six safe card stations as a route. Learners walk the route in pairs, point to each card, and say the full answer before moving to the next station.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: Where do you go? / Go ____.
