Lesson plan notes

Prepare the activity

Print page 7 and cut out the caller cards if needed. Place the six cards around the room. Learners walk to the card you call, point to it, and say the full answer. Then pairs find or point to a classroom object that matches the preposition.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: Where is it? / It is ____.
