Lesson plan notes

Prepare the activity

Print page 7 and cut out the caller cards if needed. Put the six subject cards in corners. Learners walk to their favourite card, point, and say the answer. Invite learners at each corner to ask the class the question before changing corners.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: What is your favourite subject? / I like ____.
